Majority of U.S. public school students are in poverty ...

Democrats win majority in New York's Senate, ending GOP control. With their win, Democrats will have control of the Senate, Assembly and governor's office.

Historic European City Antwerp Now Majority-Minority

You can only configure 1 FSW per Cluster. Please look at the 'Node & File Share Majority' above to understand how the Quorum Votes are calculated.

Majority in poll want Trump impeached or censured | TheHill

The consequences of Martha McSally's shameful vote are severe. If she had her way, families across Arizona would be grappling with how to afford live-saving care for their children.

Historic European City Antwerp Now Majority-Minority

This week, a long-standing goal of mine was realized when we formed the House Special Committee on Tribal Affairs. This is the first time the Alaska Legislature has ever had a committee focused on tribal issues, and it could not come at a better time.

Majority in poll want Trump impeached or censured | TheHill

Impeachment would require a majority vote by the House a possibility with a Democratic majority, though leadership in the party have been cautious on the topic.
